## **INDEPENDENCE DAY & PLANTATION PHASE 1**

Independence Day, in India, national festival celebrated annually on August 15. Independence Day marks the end of British rule in 1947 and the establishment of a free and independent Indian nation. It also marks the anniversary of the partition of the subcontinent into two countries, India and Pakistan, which occurred at midnight on August 14–15, 1947.

Independence Day is marked throughout India with flag-raising ceremonies, drills, and the singing of the Indian national anthem. Additionally, various cultural programs are made available in the state capitals. After the prime minister participates in the flag-raising ceremony at the Red Fort historic monument in Old Delhi, a parade ensues with members of the armed forces and police. The prime minister then delivers a televised address to the country, recounting the major accomplishments of India during the previous year and outlining future challenges and goals. Kite flying has also become an Independence Day tradition, with kites of various sizes, shapes, and colours filling the sky.

We at Tirumala Engineering College habituated to celebrate national festivals with passion and patriotism. This is the festival where all the Indians will celebrate throughout the nation. All the students and faculty members are re-requested to participate in the Independence day celebrations which will be held in the college on 15-08-2019. A circular was issued in this regard to all the students and staff. The program was held at 09:00 AM in the morning. Management, Principal and staff members along with NSS Students participated in the Independence day celebrations.

This program was started by our Management and our Principal, Dr.Y.V.Narayana garu by lightning the lamp at Saraswathi matha Idol. Chief Guest of the program is Mr.R.Sathyanarayana Garu , Secretary & Correspondent of TEC hoisted the National Flag in the presence of participants along with Principal sir. NSS Volunteers brought the national flag in the campus with drums in National day parade. Our Physical Director Mr. Hanumantha Rao sir conducted this National day parade with the students. NSS Volunteers participated in this program with enthusiasm and patriotism. They carry the national flag and done a National day parade in the corridors of the college and in the premises of the college.

After this Program, Management, Principal, Staff and Students participated in the Pledge. Individuals reciting the Pledge shall clench their right fists to the left side of their chests as a gesture to symbolise loyalty to the nation. National pledge is important because it tells that all are equal ,all the citizens are our brothers and sisters as we need to help them. It mainly tells about the discipline of a citizen, It also tells us to give respect to parent, teacher's and all the elders. After the national pledge completed, Our Chief Guest presented his valuable speech on

this occasion. He delivered his inspiring words on this event and greeted everyone should be with happy and health. His speech motivated the participants towards patriotism and nation building. He concluded his speech and requested our principal sir to give his word. Our Principal Dr.Y.V Narayana Garu inspired all the participants with his energetic and enthusiastic speech on this special day. He asked every citizen of India to be loyal to the mother nation. His inspirational speech motivated everyone in the campus. He extended his greetings to all the participants and conveyed best wishes to all. Some faculty and students presented their views and thoughts on this occasion. Sweets was distributed to all the participants on this occasion. This session was closed by National Anthem Jana Gana Mana.

After the National Anthem, The Chief Guest, Principal sir, Staff and students participated in Plantation Program. They participated in planting the trees at various locations in the campus. Plantation of trees will enhance the campus with plenty of Oxygen. It will make the campus green and healthy. Plantation program is a regular program of Tirumala Engineering College. TEC encourages its staff and students to participate in plantation.
