Single-use plastics, often also referred to as disposable plastics, are commonly used for plastic packaging and include items intended to be used only once before they are thrown away or recycled. These include, among other items, grocery bags, food packaging, bottles, straws, containers, cups and cutlery. The objective of this program is to give awareness among student community about the hazards of single-use plastics and protecting marine habitats and water bodies from plastic pollution.

Dr. Y.V.Narayana, Principal of TEC has initiated the program to eliminate single use plastic in the campus. NSS POs of TEC Mr.D.Hanumantha Rao and Dr K.Kanthi Kumar has organized the program of collecting the plastic materials in the campus with the help of Student volunteers and aayas of the college. All the teaching and non – teaching staff members of the college also participated in the program along with student volunteers.

NSS PO and staff members at the de plastic program
