REPUBLIC DAY CELEBRATIONS

The main attraction of the day is the R-day parade which begins at Rajpath, Delhi and ends at India Gate. It consists of beautiful as well as informative tableaux by different States exhibiting their culture and heritage. The parade also honours the brave Indian Army, Navy, Air Force, police and paramilitary forces for protecting our nation. The military forces often display the latest weaponry, aircrafts and gadgets during the parade. The celebration usually ends with impressive flypasts by the Indian Forces. Spectacular parades at Janpath, New Delhi, consisting the Indian National Army and national flag hoisting in various parts of the country are common practices followed on this day.

After attaining independence from the British rule, the new constitution was enrolled by the drafting committee under the deanship of Dr BR Ambedkar. The Indian Constitution came into effect on 26 January 1950, which declared India's occurrence as an independent republic. January 26th was chosen as the date because on this day in 1930, the Indian National Congress revealed Purna Swaraj, the declaration of India's independence from the colonial rule. Republic Day signifies the right spirit of Independent and individual India. The important symbols of the festival include the exhibition of military equipment, the national flag and military equipment. Awards are presented to the brave soldiers in the form of Paramvir Chakra, Ashok Chakra, and Vir Chakra. Even children and general citizens who have displayed courage in times of adversity are honoured with awards.
