Event End Date:	11-11-2022
Number of participants	250 NSS Volunteers.
Description	<p>Under Sensitizing students Programs initiative Tirumala Engineering College Unit 1 & 2 conducted Awareness program on New Education Policy program. Principal Dr.Y.V.Narayana garu, NSS Programme Officers Mr.D.Hanumantha Rao and Dr.K.Kanthi Kumar, staff members and 25 NSS Volunteers involved in this program.</p> <p>“NEP 2020 is designed to give students a better future in the competitive world. We all hope that NEP will play a huge role in the dynamics of education,”</p> <p>The National Education Policy (NEP) 2020 is a crucial reform that aims to transform the education system in India, focusing on quality, equity, and access. The implementation of the NEP 2020 is led by the cohesiveness and synergy across various regulatory bodies, Union and State Governments, and Higher Educational Institutions (HEIs). University Grants Commission (UGC), being the leading organization to implement NEP 2020, calls for collective contribution and commitment from all key stakeholders, such as Vice Chancellors/ Directors/ Principals of Universities/ Institutions and Colleges and, most importantly, students. Students being the centre of these transformative reforms, it is equally crucial that they are involved in implementing NEP 2020. Education is essential for personal growth, the establishment of a just and equitable community, and the national progress.</p>
