**Road safety** is a most common and important topic and has been added to various fields like education, social awareness, etc. in order to bring more awareness in the public especially new age group people. Students should be well recognized with this topic to fulfill following needs in their schools like making project, debates, attend quiz competition or essay writing competition. We have provided here some paragraph and essay on road safety under various words limit according to the student's need and requirement.

Road safety is a safety measure to reduce the risk of road accidents and road side injury because of the mistakes of people while driving on the road. We cannot count the daily road side accidents and death of people because of the driving mistakes and lack of road traffic rules followers. Every person going on the road has risk of injury or death. Such as pedestrians, motorists, cyclists, passengers, etc.

Road safety is the prevention and protection of road accidents by using all the road safety measures. It is to secure people while traveling on the roads. It is to make safe all the road users such as pedestrians, two-wheelers, four-wheelers, multi-wheelers, and other transport vehicle users. Practicing road safety measures is very good and safe to all people all through the life. Everyone should respect others while driving or walking on the road and take care of their safety.

The District Police officials invited our Principal **Dr.Y.V Narayana** Garu for an expert talk on road safety in Guntur district head quarters. He delivered the talk on the importance of road safety and how to reduce the risk of accidents. He gave a wonderful lecture to all the citizens of the district and gave the guidelines to the police people in reducing the road accidents especially in the cities and on highways.

The Guntur District Police officials arranged this program for creating the awareness among the people of the district in the district head quarters. The auditorium if filled with citizens and police staff. This program was arranged in 32<sup>nd</sup> National Road safety month celebrations by the police department. This year, the focus of National Safety Day is on road safety and the theme is 'Sadak Suraksha' (road safety). The day seeks to increase awareness about all guidelines, which includes road safety, workplace safety, the safety of human health as well as the environment. This year, the focus of National Safety Day is on road safety and the theme is 'Sadak Suraksha' (road safety). The celebrations this year have also been spread over a week and National Safety Week will be observed in order to highlight the importance of safety on the roads.
