Everyone has qualities that make them unique by trying to develop their personality. Personality development comes from physical and mental state of mind. It's also an initiative to improve certain traits which contribute to overall personality. Good personality can help in better social and professional life. Personality Development should start early in a student's life which is a true reflection of their inner being.

It can be defined as a set of traits that shape the inner and outer being in a person with organized pattern of behavior that makes a person distinctive. Character, behavior, attitude and environment are some of the qualities that shape an individual's personality. It helps gain confidence, self-esteem, and positive impact on one's communication skills and the way one sees the world. Students should develop an outgoing and impressive personality that will enhance the quality of learning. In this context, NSS Unit of Tirumala Engineering College striving hard for the development of the student community in all aspects through imbibing the community service in their routine life.

Our Principal Dr. Y. V. Narayana garu arranged the personality development program for the students of Tirumala Engineering College with a great zeal and positive intention. His ideas and ideals show a great impact on student's life. In this connection, NSS Unit of Tirumala Engineering College with the direction of Our dynamic principal Dr.Y.V.Narayana garu arranged a personality development program for the students of Tirumala Engineering College.

A well known speaker and motivator Dr.Y.V.Narayana garu who is the founder principal of TEC motivated the students in all aspects. His speech impacted many students' lives.
