Dear Sir,

Sub: Inviting as a Resource Person for One day Workshop
On “Entrepreneurship and Innovation as Career Opportunity”.

It gives me immense pleasure to inform you that Entrepreneurship Development Cell, Tirumala Engineering College, Jonnalagadda; Narasaraopet is organizing a two day awareness Program on “Entrepreneurship and Innovation as Career Opportunity” on 18th October 2022. (11.00AM TO 1.00PM) The Objectives of the workshop is to provide necessary information on Entrepreneurship and Innovation as Career Opportunity for young minds.

We enclose here with the brochure for your consideration.

Your immense presences as a resource person are solicited to make the program a grand success.

Thanking you,

Yours since

One Day Workshop on

“Entrepreneurship & Innovation As a Career Opportunity”

Organized by

Institute Innovation Council (TEC)

REPORT ON WORKSHOP

Tirumala Engineering College successfully organized an offline Workshop on **“Entrepreneurship and Innovation as a Career Opportunity”** On 18th October, 2022.

Objectives of the Workshop:

- Promote the importance of Entrepreneurship and innovation as career opportunity and inculcate skill set required for a young graduate.
- To stimulate the overall architecture of the Entrepreneurship life cycle and how student can create innovative product by undertaking relevant methods.
- To demonstrate global entrepreneurship activity – growing share of India and different types of entrepreneurship.
- To Stimulate Idea Generation Process and Implementation in Organization.

Content of the Workshop:

- Overview on Entrepreneurship Life Cycle in different centuries and India's position on global entrepreneurship activity.
- How to convert the Young graduate into Innovative Entrepreneur.
- How to start new Innovative start-ups.
- A Hands-on- Survey to check a graduate eligibility to become an Entrepreneur.
- Give awareness to participants about the Registration Process for Start-up Businesses.

Outcome of the Workshop:

- To understand the basics of Entrepreneurship and its Importance in modern society
- Skill set required to become an Entrepreneur and how to convert simple idea into an innovation.
- Key performance indicator of a graduate likely to become an Entrepreneur.

A total of 400 students participated in the workshop. **Dr. N. Srinivas Prasad garu** Professor, Dean Department of Commerce & Business Administration Acharya Nagarjuna University, demonstrated the process of Entrepreneurship statistics of India and life cycle of Entrepreneurship.

Origin of entrepreneur

- Originated from 13th Century French Verb
- *Entreprendre* means "to do something or "to undertake"
- By 16th Century the noun form, *Entrepreneur* "someone who undertakes a business risk"

Pre-industrial & Ancient period-17000 BCE

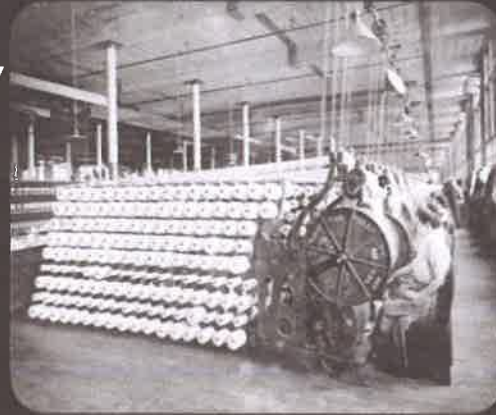

- *Agriculture*
- *Pottery*
- *Carpentry*
- *Wool-Making*
- *Masonry*
- *Tool Making*
- *Fishing*
- *Shelter Building*
- *Community Based*

1st INDUSTRIAL BASED ENTREPRENEURSHIP

- 1765

- *Invention of Steam Engine*
- *Economy transferred to Agriculture to Industry*
- *Discovery of coal and its mass extraction*
- *Steam powered spinning machines and looms*
- *Canal Transportation began..*
- *Steam Locomotives*
- *New Agriculture methods developed*

2ND INDUSTRIAL REVOLUTION - 1870

- *Massive Technology Advancement*
- *New Source of Energy(Electricity, Gas and Oil)*
- *Internal Combustion Engines*
- *Steel Demand*
- *Chemical Synthesis*
- *Communication methods(Telegraph & Telephone)*
- *Invention of Plane and Card*
- *Mechanical Production*

Entrepreneurship and Innovation as a career Opportunity learning Outcomes

Our Workshop on Entrepreneurship and Innovation as Career Opportunity combines theoretical and empirical perspectives with the development of practical skills and opportunities for the application of knowledge to real-life organizational issues faced by those establishing and managing innovation-driven organizations.

Knowledge and understanding

By the end of the workshop, students will have knowledge and understanding of:

- Key concepts underpinning entrepreneurship and its application in the recognition and exploitation of product/ service/ process opportunities.
- Key concepts underpinning innovation and the issues associated with developing and sustaining innovation within organizations.
- How to design creative strategies for pursuing, exploiting and further developing new opportunities.
- Issues associated with securing and managing financial resources in new and established organizations.

Graduate attributes

By the end of the workshop, students will be able to:

- Respond positively and effectively to problems in unfamiliar contexts.
- Apply new ideas, methods and ways of thinking.
- Engage with a range of stakeholders to deliver creative and sustainable solutions to specific problems.
- Communicate effectively both orally and in writing.
- Work effectively with colleagues with diverse skills, experiences and be able to critically reflect on own practice.

One Day Workshop on

“Entrepreneurship & Innovation As a Career Opportunity”

Organized by

Institute Innovation Council (TEC)

Objectives of the Workshop

Promote the importance of Entrepreneurship and innovation as career opportunity and inculcate skill set required for a young graduate. To stimulate the overall architecture of the Entrepreneurship life cycle and how student can create innovative product by undertaking relevant methods. To demonstrate global entrepreneurship activity – growing share of India and different types of entrepreneurship and Overview on Entrepreneurship Life Cycle and India position on global entrepreneurship activity. To convert the Young graduate into Innovative Entrepreneur. To create awareness among the students how to start new Innovative start-ups. A Hands-on- Survey to check a graduate eligibility to become an Entrepreneur. Give awareness to participants about the Registration Process for Start-up Businesses.

Benefits of the workshop

To understand the basics of Entrepreneurship and its Importance in modern society. Skill set required to become an Entrepreneur and how to convert simple idea into an innovation. Key performance indicator of a graduate likely to become an Entrepreneur. Entrepreneurship option can be seen as a significant career option among the current generation. Contributing significantly to economic growth, entrepreneurship also generates numerous job perspectives. As a result of which, it has always been encouraged by intellectuals to motivate the young mind to start a business of their own. To make the students aware of the possible benefits of being an entrepreneur, a basic entrepreneurship program should be incorporated in the regular curriculum as a mandatory subject. This basic education will not only help them embracing any upcoming opportunities to be successful entrepreneurs but also tackle the adversities successfully in the future. Apart from the degrees and certifications, the students will have the much-needed experience to start their journey in the market with a strong foundation.

To

Sri. Dr. R Siva Rama Prasad
Dean, Professor
Department of Commerce & Business Administration
Acharya Nagarjuna University

Dear Sir,

Sub: Appreciation for your informative lecture-Reg.

We would like to express our sincere thanks to have conducted a workshop and provided our students a comprehensive understanding on “**Entrepreneurship and Innovation as a Career Opportunity**” in our college premises. Indeed, our students were fortunate to receive and get motivated by such an informative and inspirational delivery.

On behalf of our honorable Management, Principal, Faculty and Students, once again we delighted to express our sincere thanks and looking forward for your gracious presence on upcoming endeavours.

Thanking you sir,

Your's sincerely

Principal
